

Children's Ministry

Hello, families! With so many sudden changes, it seems there is no visible end date of when our church will be able to get completely back to "normal." As someone with children, I fully understand the difficulties of not having children's church classes available. It's hard, and there's just no way around it for the time being. With that said, we greatly apologize for not reaching out sooner with more direct ways to help teach your children at home. From this point forward, we will be sending out a letter every week with a lesson focus, verses to read with your children, age appropriate questions, and links to worship songs! We understand that this does not replace the full Sunday School classes that the children are used to, but it should work as a decent supplement for the time being. The lessons will be coming straight from our Answers Bible Curriculum that the kids have been learning at church. I encourage you to spend some time reviewing these lessons as a family and, as always, pray with your children. Thank you so much for your patience! We can't wait to be in the classrooms with your children again.
